

Monthly net tangible asset (NTA) backing per share and top 20 investments as at 30 November 2020

	Before Tax*	After Tax*
30 November 2020	\$3.00	\$2.57
31 October 2020	\$2.85	\$2.46

* The before and after tax numbers relate to the provision for deferred tax on the unrealised gains in the Company's investment portfolio. The Company is a long term investor and does not intend disposing of its total long term investment portfolio. Under current Accounting Standards, the Company is required to provide for tax on any gains that may arise on such a theoretical disposal, after the utilisation of brought forward losses.

Key facts

Investment objectives: Mirrabooka aims to provide medium to long term investment gains through holding core investments in selected small and medium sized companies (companies which fall outside the S&P/ASX 50 Leaders Index) and to provide attractive dividend returns to shareholders from these investments.

Key benefits

Diversified portfolio primarily of ASX-listed Australian equities.

Tax-effective income via fully franked dividends.

Consistent after tax paid investment returns achieved over the long term.

Professional management and an experienced Board, investment and management team.

Low-cost investing.

Ease of investing, transparent ASX pricing, good liquidity in shares.

Shareholder meetings on a regular basis.

Portfolio performance percentage per annum-periods ending 30 November 2020

Figures assume an investor can take full advantage of the franking credits.

Note: Mirrabooka's net asset per share growth plus dividend series is calculated after management fees, income tax and capital gains tax on realised sales of investments. It should also be noted that index returns for the market do not include the impact of management expenses and tax on their performance.

Past performance is not indicative of future performance.
